Pigskin Warriors Get Into Action on College Grids

Coyotes Beat Mesa In Opening Clash of Valley Grid Teams

A bewildering aerial attack interspersed with terrific line smashes and brilliant end running carried the Coyote football team to a 34 to 7 victory over Mesa high in the first interscholastic clash of the season at Riverside park yesterday afternoon. The game lacked the pep and dash usually attending gridiron games, the terrific heat making play in conditions most unsatisfactory.

Offensive play of both teams was streaked with brilliance, but their defensive play left much to be desired. As a scoring machine the team which Coach Robinson put on the field yesterday left little to be desired. From a defensive standpoint, however, much work is yet to be done before the bigger games of the year are played.

The little Mesa forwards—light as compared with the Coyote linemen—were wide gaps in the Phoenix wall. Only when the visiting squad got into Coyote territory did Robinson's men show any real form at breaking up the opposition's plays. But when the visitors got dangerous, they charged with a deadliness that literally smothered Mesa's lays before they got fairly started. Shoemaker and Wilky at guards were the mainstays of the squad. They were in every play, ripping through the opposing forwards, smashing interference and not infrequently nailing the man carrying the ball before he got well under way. Shoemaker is deserving of special mention for his great defensive and offensive play. Time after time he nailed his man behind the scrimmage line and on offense he ripped wide gaps through the Mesa forwards for his backs to plunge through.

That the Coyote defense is powerful enough when its goal line is threatened was evidenced in the fourth quarter. Mesa had worked the ball far into Coyote territory by a series of end runs, line plunges and forward passes and was given a first down on the Coyote four yard line. It took them six tries to finally push the leather across, a fumbled ball giving them a first down after two tries.

Mesa played a much better offensive game than defensive, and dur-

ing the last half held the Coyotes to nearly even terms. During the final period, they worked the ball far into Coyote territory on two different occasions. Once they lost it on downs in the very shadows of the Phoenix goal, but the second time they shoved it across for their only score of the game.

Triple Pass Gains
Robinson's cunning made itself evident early in the game and gave the Coyotes their first score. A triple pass behind the line with Davis finally getting the ball resulted in a pretty 15-yard run to a touchdown just four minutes and forty seconds after the opening whistle blew. Smith scored.

Wortman kicked off to the Mesa 25 yards line and the Coyotes recovered the ball on the 21 yard line when the Mesa back fumbled the ball when he was tackled. A few seconds later, a long forward pass, Duncan to Heard, gave the Coyotes their second score of the period. Smith again scored. Score, Coyotes 14, Mesa 0. The quarter ended without further scoring.

The teams seined back and forth in mid-field during the early part of the second period. Finally, the Coyotes started a march down the field. Another triple pass, with Davis again on the receiving end, resulted in a third touchdown. Smith made it 21 with a perfect goal.

The third period was contested on even grounds, after Coach Robinson had sent in an entirely new backfield. Fumbles cost both teams scoring opportunities while defensive play in this period was the best of the game.

Soon after the opening of the fourth period, a forward pass, Millage to Heard, netted another Coyote touchdown. The attempt at goal failed, though, and the score stood Coyotes 27, Mesa 0.

Mesa got the kick off and carried the ball straight down the field for a touchdown, and kicked goal. This visiting score instilled more pep into the Coyote squad and they came back strong. Several brilliant open field dashes, coupled with forward passes, finally resulted in Millage going across the line for the fifth local touchdown. Millage also goal-

ed. Score, Coyotes 34, Mesa 7. The game ended a few seconds later.

At Phoenix: Phoenix High, 34; Mesa High, 7.

FOOTBALL RESULTS

CRIMSON DOWNS HOOSIERS

CAMBRIDGE, Mass., Oct. 8.—Harvard defeated Indiana today, 10 to 0. An eastern eleven in the making met a western conference team almost intact from last year and stopped it without great effort.

For the first two periods Indiana was content to kick every time it got the ball, with two minor rushing exceptions; this notwithstanding that Kyle's kicks were falling short. In the last two periods the Hoosiers, twice recovering Harvard fumbles, tried to go forward by rushes and by forward passes and succeeded to the extent of several first downs, but never to the point that score appeared possible.

Main came down in sheets during the last half of the contest, and to this Coach Jumbo Stehm of the Hoosiers attributed his team's defeat. Except for a 75-yard run from an intercepted forward pass, made by Fitts at the outset of the fourth period for a touchdown, and Heide's last score, there was little in the play of the Harvard team today that stood out as noteworthy.

An intelligent team, was Stehm's appraisal of his successful opponents. The Crimson's other touchdown was an individual effort also, Gehrke catching a short punt by Kyle and scampering 12 yards to the goal.

MAROONS BEAT PURDUE

STAGG FIELD, CHICAGO, Oct. 8.—Chicago's Goddess of Fortune beamed on Stagg field today, giving the Maroons a nine to nothing victory over Purdue. Two blocked kicks turned a stubbornly fought battle into a Maroon victory, although both sides battled evenly most of the way.

Chicago used the forward pass effectively and several times forced the ball into deep backfield territory. The husky Indians held at the crucial points, however, and Chicago was unable to push the ball across.

The game was largely a punting duel with the ball on Purdue's territory most of the time.

Most of the Purdue forward passes were incomplete, while Chicago used the air route, usually for good results. Purdue fought desperately for a touchdown, but the Maroons' line stiffened and the Indians lost the ball on downs as the whistle blew. It was another victory to add to the list of Chicago's wins.

Chicago has maintained at home over Purdue for 20 years.

WILDCATS BEAT LEGION BOYS

TUCSON, Ariz., Oct. 8.—The University of Arizona football team overwhelmed the Bisbee American legion in a game played here today by running up a score of 34 to 13.

The varsity squad scored its first touchdown after three minutes of play in the first quarter, and from then on it was a continual march to the goal posts.

The legion men counted their first touchdown when right halfback Landrum carried the ball over safely in the third quarter. They duplicated this feat in the final quarter, when Quarterback Thomas intercepted a pass and ran 45 yards for a touchdown.

At the opening of the second quarter the varsity second team took the field and made a creditable showing, scoring more than half the total points.

TIGERS BEAT COWBOYS

LARAMIE, Wyo., Oct. 8.—An intercepted forward pass, which was turned into a touchdown, and a field goal both by Mackenzie, was the margin of Colorado's college superiority over the football team of Wyoming university here today. With a three point lead gained in the first period by virtue of Mackenzie's placement kick from the 33-yard line, the Tigers and Cowboys fought on even terms until the final period, when Mackenzie intercepted a Cowboy pass in mid-field and ran for a touchdown.

Halfback Erb was the Wyoming star, his 50-yard run from kick-off being one of the features of the game. The largest crowd in local football history witnessed the game which was the central attraction of "home coming week" at the University of Wyoming.

MINISTERS BEAT MINERS

DENVER, Oct. 8.—Outrushing their heavier opponents, Denver university's football team defeated the Colorado School of Mines this afternoon 13 to 6. For three periods both teams resorted to line plunges and the lighter Denverites outgained the miners. They pushed over the first touchdown in the second period after a series of line smashes. Goal was kicked. Denver added another in the third period. In the fourth period both teams opened up and by a series of forward passes the miners carried the ball to the ten-yard line, from when McGloin plunged over for the miner's only touchdown. The miners failed to kick goal.

HAWKEYES BEAT NOTRE DAME

IOWA CITY, Iowa, Oct. 8.—A first period offense consisting largely of off-tackle smashes by Aubrey Devine and line plunges by Gordon Locke through holes made principally by Sister, the big Hawkeye tackle, and Haldt, Iowa's center, gave the University of Iowa football team a ten

to seven victory over Notre Dame university here this afternoon.

A touchdown early in the initial period by Locke and a long drop-kick by Devine a few minutes later gave the Hawkeyes their points.

Sacaton Indians Take Both Games From Grid Rivals

The Sacaton Indians played two football games yesterday coming out victorious in both games.

In the first game the Sacaton school defeated the St. Johns Mission eleven 34 to 7. The St. Johns boys played a good game of football, but their sturdy linemen were unable to hold the plunging Sacatons and the long forward passes from the backfield.

William James, quarter of the Sacaton eleven, made three 40 yard runs for touchdowns in the early part of the game.

In the second game the Sacaton Flats defeated the Sweetwater team 19 to 0. Pablo, quarter back, and Johnson, full back, of the Sacaton flats started in the second game.

SHOTGUN ARTIST GETS INNING IN FEW MORE DAYS

A few more days will find the fall shooting season in full swing and the scatter gun artists will be in their glory.

The quail season opens Saturday,

October 15 and the duck and geese will be open to hunters on Sunday, September 16. The limit on quail is set at 20 birds each day and duck and geese (both included) is also 20 per day.

The game laws prohibit shooting ducks and geese between sunset and sunrise.

Dove season is still open with a limit of 25 birds per day. The season closes December 15.

Quail shooting is the king of outdoor sports and the birds will be plentiful this year. Quail on toast will be a regular bill of fare for the lucky Nimrods after next Saturday. About 400 shooters can get action

on the Florence reservoir (The Republic preserve). Accommodations are provided for the sportsmen with motor boats, decoys, row boats and floating blinds ready at all times. The more hunters the better the shooting. The preserve is located about 15 miles south of Florence.

Hirsch Slough, located 14 miles south of Phoenix is the oldest game preserve in the Salt River Valley. The shooting privileges on this preserve have been leased by 21 Phoenix sportsmen who arrange hunting parties Sunday, Tuesday and Thursday of each week.

A new preserve has been opened on the James West farm east of the Hirsch slough. Dams have been constructed and provisions made to accommodate 12 men. A party of local sportsmen has already leased the privileges on the new preserve.

C. P. Dunn and W. L. Pinney have purchased a site south of Buckeye on an old slough. There is plenty of water on the new site and with construction of new dams the ducks should be plentiful here. There are no cattle on the farm to bother the hunters and about 15 men can be accommodated at one time. Shooting will be permitted Sundays and Thursdays.

Several new and improved shotguns have been put on the market this year, the most important being the Model 1921 Savage repeating shot gun built in 12 gauge only and the Remington 20 gauge pump gun. The Savage 12 gauge is made in several length barrels, with matted rib, matted raised rib, or raised ven-

tilated matted rib and beaver tail fore end for trapshooting. The Remington new 20 gauge pump gun operates on an entirely new principle. Barrels are furnished in 28, 30 and 32 inch lengths chambered for 2 3/4 inch shells which will handle heavy loads for this size.

Inflated and paper folding types are among the most popular decoys. Hunters may find their favorite loads no longer carrier in stock at the sporting goods stores as the manufacturers have eliminated nearly half of the loads formerly marketed. Number 3 shot is no longer loaded, either soft or chilled and 7 1/2 shot is no longer on the market. Number 7, but the chilled type in these sizes have been dropped.

While many Nimrods are taking to the hills and others are waiting for the opening of the duck and quail season the trap fowler is already on the job and the clay birds are in season at all times. The Phoenix Gun Club held its first practice shoot of the season last Sunday and several good scores were made. Another shoot is scheduled for this morning at 10:30 o'clock on the club traps on East McDowell road.

DOUGLAS BEATS NOGALES
NOGALES, Ariz., Oct. 8.—The Douglas High school football team defeated the Nogales High school team here this afternoon, 34 to 0. Douglas did all of its scoring in the first three quarters. The Nogales team holding its opponents in the last quarter.

"Shoot the Black Shells"

HUNTERS Get Ready Quail and Duck Season Opens Oct. 15 and 16 Respectively

Just Received a Solid Carload of Fresh

These Shells

were all loaded to our order since September 24, 1921, and are loaded in the new Climax shell, with battery cup primer, new reinforcement, new style head, and absolutely waterproof. (Selby shells have always been waterproof.)

Our price on ammunition is 15% to 25% below most stores. Buy a case or two of shells now, for the shooting season.

The New Remington

The new Remington 20 ga. Pump Gun, list price \$60.92. Our price is less on this, and all other shotguns, including the new Savage 1921 model shotgun, and the Remington, Winchester, and Stevens repeating shotguns.

Gun Cases

Gun cases and hunting coats 20% below last year. Decoys, duck calls, rubber boots, duck carriers, leggings, breeches, canteens, and everything else the hunter needs.
